Week of February 15

Dear Families:

As a reminder, if you haven't already done so, [please take a few moments to complete the online school climate survey](#). We only have had about 30 parents take the survey so far. Your feedback is very much appreciated and will be used to set goals for our upcoming school year. Please see the link below:

<http://survey.k12insight.com/k/RQsQQSYRsTSsPsPsP> Facebook:

Special thanks to Liz (front office), Lily (community liaison), PTA and all of our parent volunteers for helping with our TK & K Round Up. I appreciate everyone working together to organize and facilitate this special event for our incoming TK & K families. Thank you for donating refreshments, decorating the auditorium, making packets and leading the school tours. Thank you for going the extra mile for our school community! I appreciate all your help and support! This is what makes McKinley such a special place!

[Our next Coffee With the Principal is February 16th at 8:45 am](#). Our topic will be campus safety, dismissal procedures in TK/K & ideas for the spending of site SMMEF funds. Hope you can make this event as your input/feedback is important to us.

Hope you can make our annual [Family Science Night \(organized by our very own Aimee Oyenoki\) on February 17 at 6:30 pm](#) in our auditorium (the general PTA meeting will take place before this event at 6:00 pm). This is a wonderful opportunity to experience hands on science activities with your child. Hope to see you there!

[I'm thrilled to be able to offer a parent math presentation \(similar to our on-going literacy presentations\) on February 22nd](#). Our 2 site math coaches, Ms. Cervantes & Ms. Kim, along with our district math coordinator, Rosa Serratore will be facilitating the presentation. Come by to learn more about the CA math standards and what to expect in your child's classroom. All presentations will be in the auditorium. We'll have a presentation in the morning and an encore presentation in the evening. Please see the times below:

TK-grade 2	8:45 am-9:45 am & 6:00 pm-7:00 pm
Grades 3-5	10:00 am-11:00 am & 7:15 pm-8:15 pm

As a reminder, school will be closed on Monday, February 15th in observance of Presidents' Day. Enjoy your 3 day weekend! I'm headed to see my adorable little nephew, RJ, again in Cleveland! Looking forward to spending some quality time with him!

If you have a question or concern regarding your child's education, please make an appointment with your child's teacher. Teachers are always available to meet with you and discuss your child's progress and any concerns you may have.

Remember, every Friday is school spirit day. Be sure to wear your McKinley shirt or blue and gold to show your school spirit! Also, every Friday is "car free" Fridays. Support healthy living by walking, biking, scooting, skateboarding or roller skating to school.

Sincerely,

Susan Yakich
Principal
